AQUATIC SPORTS TODAY AT WAIKIKI BEACH FOR CLARKS

Distinctively Hawaiian Water Sports for the
Entertainment of Visitors—Surfboard
Riding a Feature.

THE CLARK TOURS CUPS. —Photo by Williams.

To be competed for by surfers and paddlers today. The smiling juvenile holding down the trophies, is Wayson Williams, the youngest of the base-ball family and himself an amateur surfer.

The Outrigger Club is all ready to receive the Clark visitors at Waikiki this afternoon. There is a possibility of good surf and the certainty of some interesting canoeing events. In the big surf the boys who stand on their boards will contest for one of the Clark cups. In the canoe surf, the boys most skillful in racing canoes before the big rollers will strive for another of these trophies. In the queen's surf, the girls will also endeavor to win a Clark cup. Between the beach and the reef the regatta will take place.

Governor Pease, ex-President Dole, and the officers of both the Outrigger Club and the ladies auxiliary have been invited to welcome Frank C. Clark at three in the afternoon in the big lagoon of the Outrigger Club, where the Hawaiian band will hold forth. The regatta will be observed from this point, and the surfing from the lagoon of the Huihuia's, the distinguished guests having been invited to make use of this broad veranda, almost washed by the rollers that bring the surfers up to the beach—when the waves run high.

On the grounds of the Outrigger Club, for the entertainment of Frank Clark and his entourage, the members of the Kanehameha Aquatic Club of full Hawaiians, will show how they are gathered, bailed on hot rocks under ground, taken out and pounded into pulp and will also show the little visitors how a pig is hamed.

In the club lagoon, all the fruits that can be gathered together in an off season will be spread out, that those who are entertained may taste. A number of the gorgeous fish of Hawaii will be placed out for inspection and later baked in native fashion—in ti leaves—for the edification of the guests. The Outriggers do not depend entirely upon the sea for the entertaining of their guests of the afternoon.

Along the Outrigger grounds will be turned into a Hawaiian village of grass houses, in the water half a hundred boys, and a few girls will ride the fast-as-surfboard. If there are any waves at all, some good stunts in standing on the head on the board will be shown.

M. Bonifant will be at Waikiki all day long, making motion pictures of native Hawaiian village life, and in the afternoon of surfing on boards and canoes. The sailing and paddled canoes will arrive from Kalihl early in the day, and the native women will at once begin preparing for the race in which they expect to excel and win the great

PACIFIC TENNIS CLUB GETS BUSY

The Pacific Tennis Club will meet today and the members are to partake of a luncheon, after which business affairs of the organization will be taken up. It is the purpose of the club members to make some definite arrangements for tennis games of the year, and discuss other club affairs which may arise.

CHINESE CLUB TO GIVE MASQUERADE BALL

A komhi masquerade ball will be given tonight by the Chinese Athletic Club. The ball will take place at Knights of Pythias hall, opposite the central post station and the grand march is to be at eight o'clock sharp.

Decorations have been tastefully made, and, as the club is purely Chinese in every detail, the ball will probably present an out of the ordinary spectacle. Ernest Knaak's orchestra has been engaged to furnish music for the occasion, and several prizes will be awarded for costumes and characters.

MORE HANDBALL AT Y. M. C. A.

Blanchard of the Seniors took the fourth game of the second round at handball yesterday from Ah Pau Lo, by a score of 45 to 14. The game was won in a walk, as Blanchard, who is an exceedingly fast player, had his opponent down and hog-tied from the very start.

C. Lewis easily outclassed N. Biart, of the Students, in the fifth game of the series, and crossed the finishing line when Biart was at his twenty-eighth point. Biart is only a beginner at the game and for the practice he has had shows up wonderfully well.

Two games which were billed for last evening were called off, owing to indisposition of St. John and Fook On.

St. John is suffering with a sprained ankle, but will in all probability be back in the court in the near future.

KAMS AND HIGHS THREE-MILE GO

A team from Kanehameha Schools will move over a three-mile course to-

day, their opponents being a team from McKinley High composed of H. A. Norton, Rice, Maruichi, and H. Chillingworth.

The race will be started at half-past three, from the aquarium, the finish to be at the High School.

KALIHl-PALAMA BASKETBALL ON

The senior teams of Kalihl and Palama will meet beneath the netted brackets tonight in the initial game of a series to be played by the two clubs.

A cup has been provided for the winner of the series, and the games promise to absorb a great deal of interest.

Robert Gault will act as referee, and the line-up will be as follows:

Kalihl—Alfred Ledward, Ferdie Colburn, George Mills, Charles Johnston, Michael Morse, Sub, Henry Marino.

Palama—Chinto, Kimmot, D. Jelings, Diamond, H. Aki, George Kealoha, and Carl Bergstrom.

Tonight's game will be played at Palama gymnasium.

The clubs each support a junior and young men's team, but no matches for the small fry have as yet been arranged.

COMMERCIALISM VERSUS BASEBALL

"Commercialism has encroached upon our baseball affairs in the last five years to such an extent as to make the sport, as I would like to see it, almost, if not quite, extinct," says Charles F. Chillingworth.

"The clubs, or some of them, in their wild-eyed chase after the almighty dollar, have lost sight of the cleaner, more wholesome side of the game, and now, when the question of a series is brought up, the division of gate receipts is the all-absorbing topic."

"I believe that were the grounds thrown open and the question of monetary matters left entirely out, there would be a good series of games in progress at the present time, and an added advantage would lie in the fact that the sport would be clean."

MEN'S SUITS

AT

AFTER ALL, IT'S THE TAILOR WHO MAKES A SUIT A SUCCESS OR A FAILURE. THE MOST FASCINATING STYLE WOULD BE A FIZZLE IF THERE WERE NOT CAREFUL NEEDLEWORK UNDERNEATH. THAT IS THE REASON WHY OUR SUITS AT \$20.00 ARE BETTER THAN THE SUIT YOU BUY IN TOWN FOR MORE MONEY. THEY ARE PERFECT IN EVERY WAY. "IF NOT, YOU CAN HAVE YOUR MONEY BACK."
